US SAILING ADULT CHAMPIONSHIPS - SEND YOUR RESUME

Deadline June 21 for ILYA Consideration

US Sailing invites Racing Sailing Associations each year to submit candidates for inclusion in the Adult Championship. Noted as US Sailing's most coveted Adult Sailing Championships, the Mallory began as a men's event in 1952 and transitioned to an open event in 1993. The Mallory Trophy dates back to the Battle of the Nile in 1798 from the estate of Lord Nelson. Teams must be made of sailors from the representing Regional Sailing Associations. RSAs within US Sailing Association submit their representative for selection. The 2019 event will be sailed in J/80s at Beverly Yacht Club, located at 99 Water Street, Marion, MA 02738 September 5th through 8th.

The ILYA WON the event in 2018 with Minnetonka's Mike Hanson, Tim Siemers and Mike Swift. The event was held at Wayzata. The ILYA infrequently sends candidates but Buddy won this three consecutive years.:

Lake Lotawana MC Regatta

LAKE LOTAWANA ORLANDO WEBB MEMORIAL 40th MC REGATTA

It has been awhile since I've written a regatta report. But then, It's been awhile since I did really well at a regatta. So here goes.

I arrived at Lake Lotawana Missouri Saturday about 8:00. Just enough time to launch the boat before the 9:00 shippers meeting. Met with some old friends and made some new ones. Thirty one boats were registered. Skippers hailed from New York, Wisconsin, Oklahoma, Texas, Colorado, Kansas and Missouri. A few of the locals are regulars on the midwinter circuit so there was a pretty good field of competitors.

Saturday's wind was from the West which isn't ideal on this L shaped lake with the E/W arm being the short one. Velocity ranged from me being in the middle of the boat to on the rail with the traveler eased a couple inches. Puffs coming down the lake but sometimes out of the coves. Keep looking for the dark water.

The left end of the line was favored as well as the left side of the course. Broke off the start line on port just below my sailmaker Bill. Fun fun. His presence makes me really concentrating on going fast just because he built the sail. We battled it out and somehow I prevailed. Second race was pretty much a duplicate of the first, then we broke for lunch of boxed Subway meals.

The first afternoon race was to be a short one as there was a possibility of thunderstorms popping up and the RC was going to try for two races. I went into the top mark about third but had to tack against a big starboard shift/puff and tacked back within three boat lengths the mark. After I cleared the mob I paid the penalty under great encouragement from Bob Jr. (Hint, the boat doesn't spin very well with the boards up.) Recovering in the short race wasn't to be so I finished eighth. Sure enough, a massive looking thunderhead popped up so we called it a day. Results after the first day found Bill Draheim, Quantum Sails leading me by two points with JP, Spencer, and Danny a few more points back.

Sitting around after the days activities MaryAnn passed around what I thought was a jar of peanuts the way everybody was downing them. It was ibuprofen.

Sunday dawned with a lighter wind, forecast to be from the North and possibly shifting Eastward. We were now racing on the longer arm of the lake but only using half of it so we could get in two short races. Bill and I were one/two going into the top mark until Spencer (local ace) came out of nowhere to round first. He did the same thing

again on the second lap. But somehow I won with Bill second. He was still one point ahead. Just before the start a quick but short blast came in from the East, then went back to the North. The stronger wind was from the left, so that is where I went.

Mistake, as the wind oscillated East for the first leg putting me in a big hole with Bill sitting on top of the fleet. I fought back up to finish fifth but Bill won the regatta with no races worse than third. Mr consistency.

More people should go to this regatta. The competition is always great. For \$80 I received the registration, a BBQ dinner, two lunches, two brunches, and really nice polo shirt. Lotawna also provides free housing on the lake with club members. Gary, the regatta chair, had a wonderful crew of, I'm guessing, more than thirty. Accolades to the great PRO crew. (An experienced and competent crew led by Lisa. All very cute but protected by a rather large bouncer driving the RC boat.) Launch committee.

Lunch committee. Spectator committee. "Refreshment" committee. Trophy committee. Scoring committee. Thanks to all. What a wonderful regatta that once again lived up to its reputation.

Wisconsin MC Champs

Try a New Fun Approach

Join us at the 2019 Wisconsin State MC Championship to celebrate sailing and our great Wisconsin culture. The regatta is open to all MC skippers who sail on Wisconsin lakes. This is a five race regatta; 3 races on Saturday and no warning signal after 1:00pm Sunday. The \$100 Boat registration includes commemorative Drywick shirt, breakfast, lunches, and Saturday dinner party with live band. But wait, there's more - **if you register prior to June 15 - you will receive a second complimentary Saturday dinner ticket.** More details can be found on the [Beulah website](#).

Why the Wisconsin feel to the event? This regatta is held one week late to accommodate those who are attending MC Masters Nationals in NY. For Lake Beulah, this is the traditional date for our C fleet party so let's celebrate together with a fun evening including a true Wisconsin feel - polka band and all! Bring your spouse and we will get him/her out on the water.
