SATURDAY - HARKEN IN PEWAUKEE

Please register for the Judges Seminar on Saturday. This will teach you how to conduct Protests and to simplify a protest using the arbitration process. There will be documents to take home for use at your club. This is most casual with each participant helping others and practicing protests. Does your club have a protest expert? You need three and perhaps you are the one to become more acquainted with the process.

The course is all day but there is a lunch break which allows you to meet other clubs to connect. Discuss collaborating with each other since so many of our protests have interested parties. We all love sailing together but allow yourself the privilege of a more neutral environment. Together we can make this all a friendlier, more efficient process.
