Beautiful Weather with Building Medium Breeze

The older sailors loved the day with a chance to showcase their exceptional boathandling skills. All except the leaser Fritz Simon who is a junior. The morning wind was steady but the afternoon became a bit unsteady and necessitated a few recalls to get the race off with a final Z flag. Two top sailors got nabbed with a 20% penalty for an OCS for that start. Just a perfect day for a huge, huge fleet.

Of note are the Minnetonka boats who have a resurgence. Delavan is moving to the top of the fleet with two in the top ten. Perennial powerhouse Pewaukee looks strong.

The Fair Sailing Initiative

What a site to see the sailors lining up to receive their #FairSailing swag. Many of the sailors have taken the test. It was overheard, "we were told in sailing school we should take the test". Coaches and a few parents and a Race Committee official or two received a hat or buff. But the real difference was the near silence at the leeward marks. This is customarily a screamfest but folks were heard calmly claiming "inside" and the 50 boats that went to the same leeward gate in race two spoke nary a loud word. There was one leeward gate incident but that was truly the only infraction seen. Absolutely the shining moment was I-30 going off at the back of the fleet to do a circle at a leeward mark.
