## MC Invitational - Nagawicka

### Four HOT, HOT Races

PRO Brian Buzzell had his work cut out for him. But light, hot air which developed into at best medium HOT air allowed four races with no general recalls. The fleet starts were beautiful. Forty-two boats on a quiet day on Nagawicka was a thing of beauty. It was peaceful enough to hear boats hum (thanks, E Hood) and to hear the sails fill with each tack. The day was glorious --- except for the heat. Some distant travelers from Eustis, Lauderdale and Lake Lanier in GA. Those Upper Minnetonka sailors are showing us how to travel. Get ready to go visit them.

## E Invitational - Lake Geneva

### Harry Melges IV Leads

The same wind pattern settled over Geneva as the MC Invite but just light enough the E's could not sustain all the races. PRO Terry Blanchard got off two races today in the most challenging conditions. Michigan, Minnesota and WI sailors are sure to enjoy the lively Saturday night party with a Michael Moore choice of band.

## No Tears

### Qualifications

The ILYA No Tears is divided into two fleets -- Junior and Senior. This designation is based on age alone, not skill. Junior fleet is 8 and under; Senior 9-12. Last year's top five finishers are not eligible to attend. This event is meant for first and second year sailors. It is lower than a Green fleet event in terms of rules and RC execution of the race. RC at No Tears (and instructors) coach much more and may coach strategy. Officially, per USODA, the Green Fleet sails with full rules. In the ILYA, we discourage protests and do not expect full knowledge of the rules for No Tears. The rules are very simple for the No Tears---port/starboard, windward/leeward, there IS room at the mark, no bumper boats, NO SWIMMING OFF BOATS and ALWAYS, ALWAYS HAVE FUN AND MEET FRIENDS.

Your coach is the best person to evaluate your sailors suitability for the No Tears and Green. With all this said, the first year in the RWB is difficult. If your child is in the back 10-20% of the RWB fleet because you have pushed your sailor up to RWB, does not seem to be making progress, has become entirely discouraged, have a serious discussion with your coach. Often parents and coaches make the progression to RWB too rapidly. Have an honest discussion related to your child's enjoyment and skill level before moving to RWB.

Competitor's Briefing: Monday, August 6th, 9:00 a.m. Five (5) races are scheduled for the Senior fleet and four (4) are scheduled for the Junior fleet. The races will be scheduled to best accommodate launching, fun and lunch.

The purpose of the Madtown Regatta is to provide an opportunity for our beginner Optimist sailors to participate in a sailing event and for their families to learn what happens prior to attending more competitive events. The following guidelines should be considered (if in doubt, please consult your Sailing School Instructors):

Sailors are encouraged to enter the Madtown Regatta if they:

\* Demonstrate the ability to sail an Optimist both upwind & downwind.

- \* Willingly accept coaching and help by instructors while on the water.
- \* Are not frustrated sailing with sailors who do not know the rules.

Coaching/ Instructors: A sailing school instructor and motorboat is required for each fleet in which a lake has a sailor registered (two (2) instructors with motorboats are needed if the lake has sailors in both the Junior and Senior fleets). Instructors must check in at Registration at the time of arrival. Instructors will receive complimentary lunch. Active coaching on the water will be encouraged by official coaches.

Lunch & Shirts: All sailors will receive a lunch, T-shirt and post-race treats with their registration. Additional lunches & shirts may be purchased for a nominal fee. If two (2) sailors are co-skippering in the same boat, please indicate that on the online registration form. An additional \$20 will be charged for lunch and a t-shirt for a second sailor.

Additional lunches are \$10.

Entry Fees: Entry fee is \$70 day of the regatta, \$60 per boat before 8/6, \$50 per boat before July 18th. Entry fees are payable online and parents must sign the MYSF waivers in order to complete the registration process.

Courses: One (1) course will be used as described at the Competitors' Briefings. Windward-leeward modified courses with wide windward mark and off set distance will be used to best provide safety and supervision on the course.

Launching: Optimist launching will be to the North side of the Warner Park Boat Landing (1201 Woodward Dr, Madison, WI 53704), off of the beach.
