Day Two --- Redux! Repeat! Reprise!

PERFECTION! Three races per fleet in even better wind than Thursday. Three brand new winners in the Junior Fleet: Quinn Kaiser/John Lieber, Fritz Simon/Meta Simon and Charlie Allen/Megan Isabell. The Chapman Petersen/Jack Plummer team took two of the three and Lindsey Vollmar/ Kelsey Vollmar took the second race today.

Consistency is key. The top three in the Senior Fleet have all top ten finishes; four in the Junior Fleet have all top ten finishes. As is always the case, there are breakout performances - sailors who just "got it" with unexpected great performances. Quinn Kaiser in the junior fleet is sailing over the top. Ella Schieble and Carly Kiss have sailed through the fleet for top tens across the scoreboard. The new boat for Sean Mihelich is a rocket ship or maybe it's just Sean with the confidence of a new boat. Who expected Finn Burdick to set the bar so high? Okoboji with two in the top fifteen is an amazing display of improvement. The two senior Cedar girls are dominating - Abby Eckert/Allison Heimsch and the Vollmar sisters. Cole Schweda/Sierra Steiner with consistent top sailing. And here's a new team not on your radar - Mark and Kate Lyon. Truly a nicer pair you have never met with a little brother to follow. They have attended and attended regattas faithfully and this is such a treat to see it finally coming to fruition. --- THIS IS THE INLAND! It's this way each year as new talent comes to the top with abundant joy for all those competing. From the RC side, we see all the boats and cherish a great race or the improvement for each boat in some manner. I heard the goal for B-25 was to finish a race. Can you imagine that? To brave this big wind in her first year with a newbie crew also and to see the success in finishing a championship X fleet race. And, behold, today she finished two! If you think that is not a life lesson, guess again. This is the sport where so many lessons are taught.

Outstanding moments:

- Yesterday A-36 missing a mark (along with six others), not realizing until nearly 1/3 downwind, turning around and coming back to unwind her mistake. Then fighting back after an OCS from the center of the lengthy starting line. A true hero in character in anyone's book. ---- Sam Eckert
- Hailey Hill coming to RC at lunch today to admit to not going around the mark. When asked what she would like to do? Her answer: "Receive DNF +1, please". Such honesty is rare.
- Two junior sailors voluntarily retired (Hailey mentioned above) and Finn Burdick for de-masting a boat. Thanks to the de-masted boat for sitting patiently allowing all the competing boats to get around him at the windward mark waiting to be rescued with calm demeanor.
- All the thank yous to RC as the youth cross the finish line. It is heartfelt as they look us straight in the eye or lean under the boom to assure we heard them.
- The progress in the junior fleet with penalty exonerations. Loads and loads of circles. Finally in the last race, we only had one boat hit the mark and not do a circle. Surely this was unintentional --- they are beginning to watch the stern of the boat when roundings are tight and RC can hear them asking, "did I hit it?". We are developing fine, fine individuals here. It's not that they were not fine in prior years but they are paying attention and not desiring to break the rules. It fills the heart to see these sailors calmly talking to each other. Not one raised voice at the windward mark on the junior course. Calm, calm behavior in tipovers or masts down.

Skylar Swearingen and Owen Kohut wearing the #FairSailing buff. The numbers of those taking the quiz is rising among the young sailors and parents

- Observing a rather resistant little tyke not so many years ago, sailing confidently around the top to middle of the fleet, fighting for every place with joy. --- Congrats, Gloria Tornehl for loving this sport we always knew you would.
- The boat handling of the top of the fleets is near perfection. As the wind built, tacks were performed with efficient movement and blazing speed. No loss of control. Port tack to starboard in under three seconds with sails trimmed and ready to go. Great crew/skipper coordination at the top of the fleets.
- Thanks to Red Tornehl for hanging in there when he is large enough to skip an E scow but yet devoted enough to honor the tradition known as the Inland X Champs. A race win is well-deserved! What an example he is to his young, small crew.
- Four young ladies rounding out the top 20 in the senior fleet who have loved this sport and enjoyed each other for many years. Thanks to Annie Cate Schmidt, Keaton Sperling (with a career best second place finish today), Anna Marshall who has shown a consistency this event and Brittany Shabino who is just a beautiful sailor and young lady. May they enjoy the next edition of Inland sailing.
- Thanks to Luca Marban for showing Alec Harned the joy of our sport.
- To the Starbeck family from Clear Lake - thanks for clever names, all the enthusiasm over the years and smiles that light up the event.

- A visit and hug from Past Commodore Jeff Baker turned into a job as "boat boy" as driver Dale Roble pulled away from the pier with Baker onboard. With no way off, Baker spend Race Two today enjoying his Pewaukee fleet sailing extremely well. He was surprised to hear that the "young boy, Mark Tesar" he sailed with on Clear Lake, IA, was serving as the PRO.

Commodore Baker returns to assist

PRO Mark Tesar on Junior RC Pink Day recognizing breast cancer survivors for over 10 years

There is one concern to express which is a repeat of an article we posted a week ago. ALL OF US need to exercise care driving our boats. Thank goodness and we mean thank goodness, no serious injury occurred but for the second year in three, we have had an instructor on an inflatable not see another boat. We LOVE our inflatables for what they bring to the instruction field but they rise up high until they plane. We simply cannot drive them without all our wits about us.

Pram Power

North Lake - Thursday, August 2nd

North Lake's Annual Pram Power Regatta is Thursday, August 2nd.

Due to the time needed for the T-shirt order, we ask you to register by the end of the day TODAY---Thursday July 26th to guarantee a T-shirt. They will be White this year because we are Tie Dying this year-YEA!

For siblings that aren't sailing but doing the craft package, they can preorder a Pram Power Tshirt for \$10. The screen print will be white on the white cotton shirt - and the kids can see the surprise once it's dyed.

NO Problem if you don't preorder a shirt...just bring your own 100% Cotton shirt. We will also have some plain shirts available for purchase if you forget. Extra screen printed shirts will be very limited

What is Pram Power?

- A fun regatta geared toward beginner sailors that may be new (or newish) to regattas.
- Coaches from North Lake and other sailing schools cooperate to assist sailors as needed -- a great environment for learning!
- The sailors will be divided into junior and senior fleets that will sail at different times, allowing sharing of boats.
- How do we fill the down time? With crafts!!! Sailors and siblings are invited to do shrinky dinks, decorate t-shirts, etc. (Included for registered sailors and available for purchase for siblings.)
- Please bring a 100% cotton white t-shirt to decorate as one of your crafts--unless you are the sailor or pre-order a shirt. This year it is white to accommodate the Tie Dying
- We'll have a raffle for cool sailing gear and more!
- Lunch will be homemade tacos, fruit, and cookies. Delicious.

Upper Minnetonka Challenge

Send your fleet and we will toast you --- plus offer your club or sailing school a cash prize

Open Letter to Geneva, Pewaukee, Nagawicka Lake, Oconomowoc, Lac LaBelle, Pine Lake, Lake Beulah, Delavan, Cedar Lake, Oshkosh, and all other ILYA Yacht Clubs:

This is an official invitation and challenge for all ILYA Yacht Club MC sailors, particularly those in Wisconsin, to attend the ILYA Championship regatta at Upper Minnetonka Yacht Club (UMYC) August 12th-15th.

UMYC, in partnership with Minnetonka Yacht Club, is pulling out all the stops to make this a truly special event. Free beer at the local brew house down the street at registration, all-inclusive parties both Monday and Tuesday nights, practice race Sunday afternoon, continental breakfasts, a chance to meet many of the best sailors from around the Midwest, and seven great races scheduled on a lake to ourselves. What more could you want?

Free housing, staying to race C's or E's the second half of the week, and substantially reducing your prep time for Nationals in Pewaukee definitely doesn't hurt either.

Over the last five years MC sailors from all over the Midwest have traveled to Geneva's fantastic facility for the Big Inland. UMYC Sailors have also sailed at Nagawicka, Lake Beulah, Oconomowoc, and Big Cedar (as well almost all Iowa and Minnesota venues). In all cases we have been met with wonderful hospitality and competitive sailing. **It is time to allow us to return the favor and host you on Upper Minnetonka.** Most of you have not had the opportunity to sail on arguably the finest lake for MC racing in the Midwest. Come tell us what you think of this claim ... drinks on us!

The challenge: Send 33% of your active MC fleet-just as UMYC has for all ILYA regattas over the last few years-and win an award for your Yacht Club. Or send 50% or more of your active fleet-as UMYC is this year-and win an additional cash contribution to your Yacht Club or Sailing School.*

For more regatta details and to register, go to the ILYA toolbox: <https://www.regattatoolbox.com/eventDetails?eventID=HjRs9VrbTt>

It's time to experience the secret of Upper Minnetonka!

* Open to all yacht clubs, except UMYC. Must have over 32% of Yacht Club's MC boats registered for the regatta to win. Club with highest percentage of registered MC boats wins.
