## Roble Shea Make Medal Race in Enoshima

Roble Shea and Malcolm Lamphere spent this past week at the 2020 Olympic venue in the first regatta at the site. The Laser field was deep, deep, deep but Lamphere was third American - right where he needs to be. He is three months into intensive training and just gets stronger with time.

Roble Shea qualified for the medal race which will be broadcast Saturday at 3:15 PM CDT. Follow World Sailing Facebook for the action. The medal race counts for double points so Roble Shea have a chance to move up.
