## ILYA Sailing Instructor Seminar

The ILYA will be sponsoring an instructor training seminar on June 7th and 8th at Okauchee Yacht club. This is not a US Sailing course, but is specifically designed for teaching on Inland Lakes. The sessions will be from 9am-3pm with lunches included. Thanks to sponsorship of the ILYA Foundation, there is a minimal cost for the seminar. The seminar will be focusing on:

- \* The ILYA Fair Sailing Initiative and what it means to our instructors and sailors.

- \* Sharing best practices of our instructors based upon case studies. Instructors will be required to come up with their solutions to common issues so that they are better prepared for when these occur. Some of these are safety related, as well as issues common to our ILYA programs.

- \* Sharing of ideas on drills and teaching techniques.

This is designed to get our instructors up to speed quickly so that they can be effective instructors and provide our sailors an environment to succeed. Please contact Ed Eckert (edeckert136@gmail.com, 262-343-2396) with any questions. [Enroll here](#). Come and enjoy.

### Lake Minnetonka Sailing School Needs Your Sail Donation

MYC has increased its charter program for 2018 and now has 2 MC's, 2 X boats and 2 E scows that have been chartered for the summer.

The supply of sails for the X and E is in need of your donation. The X fleet is some 18 strong; this is from near zero only four years ago. There is a strong need for used sails, particularly X boats. A charitable donation letter will be provided for any donations received. Anyone with sails may contact:

Chrisy Hughes

### Seventeen Boats in Inaugural Year

The Buddy Melges Racing Team and the Geneva Lake Sailing School, under the direction of Executive Director and Head Coach Marek Valasek as well as coaches Eric Bowers and Mac Six, hosted 17 X Boats for its inaugural Spring Clinic on Geneva Lake.

With 34 sailors, the clinic began Saturday morning with a focus on proper rigging and tuning techniques. The sailors spend all of Saturday afternoon on the water in ideal conditions. Sunday brought early morning storms but at the first sign of a window in the squalls, all 17 boats were launched in under 20 minutes and they were off for over four hours of drills. In steady 12-15 knots of breeze, all of the sailors (ages 8-14) showed tremendous overall improvement. On the water sessions were followed up with video debriefs in the classroom.

When polled, these sailors uniformly stated that they couldn't have been happier to kick off the season with such a fantastic coaching experience and they feel like they are a step ahead going into the summer.

The Buddy Melges Racing Team and Geneva Lake Sailing School invites and welcomes all sailors from all lakes to join and participate in its off-season programs as it continues to further its goal to grow participation in the sport of competitive sailing for any sailors that want to participate. Please join us - and be a part of it!

## **Qualifier for US Sailing's Mallory Announced**

### **US Sailing Adult Championships**

Wayzata YC will host the regatta for the Mallory Cup for adults on Sept 25-29. Each Race Sailing Association is permitted to select one team to represent them at this event. The ILYA has had a request to participate and will be sending a team to this event. The event is in J-22s. If you are interested in representing the ILYA, please contact Commodore Porter by May 30th.

The qualifier will be a regatta jointly attended by the ILYA hopefuls and the Twin City Racing Sailing Federation. The two groups will sail together but be scored separately. Matt Thompson and his crew will officiate. Jeff Cameron and Odelle Tuttle of Wayzata will serve as the regatta leadership.

Wayzata has chosen June 23-34 as the qualifier. Mark your calendars now since the date is firm. Fees and other plans will be forthcoming soon. This is a BYOB (BOAT) event. The Wayzata fleet is planning to support the event so many of the home lakes are taken by their owners. It would be wise to secure boats now. Below are extra US Sailing stipulations for the event which apply for the qualifier also.

Qualification

- Teams must be made up of sailors from the RSAs they are representing and members of sailing organizations that are members of that RSA.
- Team members must be current members of US Sailing
- Sailing organizations must be current members of US Sailing
- The event will be sailed in J22s using the league sailing format
- The minimum number of crew for the event shall be four including the helmsperson.
