**HARKEN** 50  
CELEBRATING 50 YEARS

Following in his father's (Kevin Jewett) footsteps, Augie Dale was named an All-American following his 2018 College Co-ed Nationals. Augie sails for the College of Charleston who won the Team Race Nationals and placed second overall. Dale placed third in the B fleet in the Co-ed portion of Nationals. College of Charleston had a great week as both of Augie's parents enjoyed his success. Charleston was also presented with the Fowle Trophy essentially as College Sailing Team of the Year.

Sailor of the year was Augie's teammate, Stefano Peschiera, who lauded Augie's efforts to make the team's year so successful. Augie was sailing on "home lake" waters in a sense as he began his college career at ODU in Norfolk but transferred to C of C.

Congrats to Augie and all our Inland sailors who represented us well.

## Scowslants Released This Week

### Scowslants Digital Copy Sent to Members

The digital version of Scowslants allows you to see marvelous videos of our Sail it On Families honored at the 2017 ILYA Championships. Enjoy the history, love and dedication to scow sailing of our three-generation families. A few of our families reach back to 1890s! You will be surprised at our family with the oldest history - the Davis Family. Don't know who that is? You will need to read Scowslants to find that out.

Enjoy the cover which features Vincent Porter and the Eagle team. Only once before has a sailor won the E and A titles in the same year and Vincent was that individual also. Don't minimize the historical significance of that feat and then the marvelous photo by Larry Kmiecik honoring that accomplishment.

**Qualifier for US Sailing's Mallory Announced - Resumes Due  
Sunday, June 10th**

## US Sailing Adult Championships

**Change Wayzata YC has chosen to not combine the qualifier from the ILYA and their RSA.** Wayzata YC will host the regatta for the Mallory Cup for adults on Sept 25-29. Each Race Sailing Association is permitted to select one team to represent them at this event. The ILYA has had a request to participate and will be sending a team to this event. The event is in J-22s. If you are interested in representing the ILYA, please contact David Porter. **Selection will be by resume which should be submitted to Commodore Porter by June 10th. Please include:**

- **your participation in the ILYA in past three years or further past**
- **list of crew members if you are selected for this event, assure they are members of the ILYA (skipper and crew) and US Sailing (list US Sailing number)**
- **indication of your sailing successes**
- **experience in the J-22 or other keelboat**
- **other pertinent information which will help determine your selection for this event**

### Qualification

- Teams must be made up of sailors from the RSAs they are representing and members of sailing organizations that are members of that RSA.
- Team members must be current members of US Sailing
- Sailing organizations must be current members of US Sailing
- The event will be sailed in J22s using the league sailing format
- The minimum number of crew for the event shall be four including the helmsperson.

## ILYA Regatta Registration is Open

### Regatta Toolbox for Registration

Check the new ILYA website for loads of info related to ILYA and other regattas. The NoRs are posted for all regattas who submitted them. The link to ILYA registration is there along with weather and a map to the hosting club. The entire calendar is downloadable if you like. Simply go to the date and click on the box with the desired regatta listing.

## Pistakee - STEM Education in Sailing School Curriculum

The Community Sailing School @Pistakee is off to our strongest start ever. As we launch our 6th year of transforming kid's lives, we are hosting a three day Sailing Plus STEM class that began yesterday. We have 30 middle school kids attending this new class.

STEM is the national program to enhance education for Science, Technology, Engineering and Math. This program is a validated national education program offered across the United States and it targets middle school students. It is a unique blend of STEM applied to the sport of sailing.

We have been partnering with US Sailing for several to develop our STEM expertise and curriculum for several years. We've hosted two STEM Reach Instructor training courses and several of us are certified US Sailing STEM Reach Instructors. And this year we received a \$3,000 grant from US Sailing to expand our STEM program!

One of our most dedicated volunteers, John Kazenmayer, is leading the Sailing Plus STEM class this week. John has developed an array of STEM Sailing teaching aids and exercises, leveraging the US Sailing STEM Reach program
