For ease of registration, please check your entry to **assure your cell phone is correct.** The ILYA registration team has turned on the permission to send you a text message. This enables us to speak to you in your hotels or homes in case of a storm or other happening. It also allows us to tell you of protest times to save you the inconvenience of waiting.

If you wish to be a part of the media team, contact Dave Berg. Also follow us on Facebook, Instagram or Twitter. If you are watching a race, contribute to the media flow so those at home can follow the action.

Check volunteer slots and Social sites on upper left of this edition. We need shuttle bus drivers. Just pretend you are an Uber driver, meet the sailors.
