ILYA Celebrates Families in Geneva Three-Peat

UBS Friday Night - Sail it On

In our third and final year of the ILYA Championships at the Buddy Melges Sailing Center at Lake Geneva Yacht Club, the ILYA is extremely honored to celebrate all the families who share in our tradition. Twenty-three families who represent champions, enthusiasts of the sport, innovators, traditionalists - they will be at the Championships on Friday. David Perrigo will select a few unique stories to feature at the Friday Night dinner. All the families are crafting a video to tell their experiences with our sport and the ILYA. Please join us in celebrating these representative families who love scows and the Inland Lake Yachting Association.

John McGivern Visits Lake Geneva

This half-hour show in video format has been reduced in time due to no advertisements. It is a joy to watch. Familiar sites, local establishments, beautiful homes with a snippet of history AND the Wizard appears. It's always fun to hear him speak.

Roble/Shea at Delta Lloyd in Holland

Currently in 11th; one place out of medal race with two more days

We are currently in Medemblik, Holland racing the Delta Lloyd Regatta. We just finished day 2 of racing and have 2 more days of qualifying racing before the medal race. Sitting in 11th overall, so we have some work to do to make the medal race but only half way thru racing. Below is an update from the last month.

In the last 40 days, we have logged 20 days in epic Long Beach, CA conditions. Like really epic days. We headed to LB primarily to gain experience sailing the 49erFX in waves. The boat is super unstable as it is and adding in waves is a completely different feeling. All of our maneuvers have to be well planned, our movement through the boat has to be low and quick and generally everything is just harder! We had a few days of 20 knots and massive swell outside the break wall which resulted in several capsizes.

We also went to Long Beach for the wildlife. No, just kidding, but not really. We saw a lot of whales, seals, and pods of dolphins swimming off our bow. Oh, and during our last trip tons of baby sharks just happened to be hanging out near LB.

It definitely made a fight for who was going in the water when we capsized!

Besides the sailing and wildlife, we used this time to develop our pre- and post-sailing routines with our strength coach Mike Kushner of Sailing Performance Training. With him we have scheduled out when we have opportunities to build strength and when we are focusing on maintenance. Getting this routine and schedule nailed down is important for taking care of our bodies in a boat that beats you up!

Medemblik, Holland is our first European event of the season. This will be our qualifier for the 2018 Sailing World Cup Series. We are really excited to race and put everything we have been working hard on to the test!!

Bill Mattison Inducted into Madison Sports Hall of Fame

[from iceboat.org](http://iceboat.org)

Iceboater Bill Mattison will be inducted into the Madison Sports Hall of Fame Club at its annual awards event on June 7 in Madison, WI. During his 72-year career as an iceboater, Bill has won countless local, national and international championships in what he describes as the most fickle of sports. You'll also find Bill's name engraved on Mendota Yacht Club's trophies for championships won in class C, E and A Scows. It's safe to say that no one in the history of MYC has won more trophies in more classes than Bill Mattison.

Bill's skills as a builder earned him a place as head of the shore crew on three America's Cup challenges: Heart of America in 1986, America3 in 1992, and Mighty Mary in 1995.

Bill is a true sportsman who has gone out of his way to advance the sports of iceboating and sailing, helping others both on and off the racecourse. Whether it was for help splicing a broken mast, repairing a boat, building a fast (aren't they all?) iceboat or making a new shroud, for more than a half-century Madison iceboaters and summer sailors turned to Bill for help and advice.

Even though he's retired from iceboating, sailors still seek him out for his knowledge on everything iceboat. Perhaps that's why he was recognized as one of the "Three Kings of Iceboating" at Chicago's Strictly Sail in 2009.

Bill joins Carl Bernard and Peter Barrett as the third sailor in the 54-year history of the Madison Sports Hall of Fame Club to be inducted. Details on the induction ceremony [here](#).

Chicago Laser Clinic - June 15-18

from District 20

Dear D-20 Lasers,

For the past 5 years Chicago Laser Clinic has been held at Montrose Harbor in Chicago. Chicago Corinthian Yacht Club is the host facility. Usually the attendance has been in the 23-28 range. This year we decided to limit the attendance. There are a few spots left right now. If we exceed the 16, I will wait list and see if we can take more applicants. If you want to part of the clinic, let me know and perhaps we can match your schedule with others. Email me with any questions, restoringart@gmail.com

Dear Lasers Sailors,

We again have Brendan Casey (AUS) and Ryan Minth (C-VANE USA) as our lead coaches. We all know the quality of their work. Brendan has been coaching Lasers for the US Sailing team this past year and has a lot of new insight about what is going on. As our third coach we have a young but very experienced Laser Coach/Sailor from Ireland, Cian Cahill (IRL), who happens to be Chicago based. Its also my intention to continue the clinic with Cian after the initial 4 days for 5 additional weekday evenings throughout the summer. Those dates haven't been finalized. They will likely be Mondays. This year I want to limit the size of the clinic to 16 participants.

The goal is more individualized coaching, more video. Send me an email to secure your place.

Thanks, Rick Strilky 176078 restoringart@gmail.com
