**In Memoriam  
Michele Hodgson**

*Farewell to Thee! But not farewell  
To all my fondest thoughts of Thee;  
Within my heart they still shall dwell  
And they shall cheer and comfort me.  
Life seems more sweet that Thou didst live  
And men more true Thou wert one;  
Nothing is lost that Thou didst give,  
Nothing destroyed that Thou hast done.*  
-----Anne Bronte

Tom Hodgson expresses his gratitude for all the kind thoughts he has received. He asks for private time now. There will be a service Wednesday, May 17th in St. Paul on Harriet Island pavilion on the river in downtown St. Paul.

If you are bogged down by problems with locating your number, please email the editor and she will give you your registered contact info to get you through the process. ---- It should be most straightforward however if you have not changed emails.

### Regatta Registration

The MC and C Invite along with the X Championships regatta registration sites are open.

### Sponsorship

The Executive Committee meets shortly to set the social pricing which is based on the sponsorship money. Your donation is ALWAYS welcome right up to the start of the event but a commitment today assists with improved pricing to the sailors. Consider a title sponsorship, general donation or any other support to the last of three great years of the ILYA Championships at the Buddy Melges Sailing Center at Lake Geneva Yacht Club. Contact [David Perrigo](#) to offer sponsorship.

### Early classes are filling FAST

Chicago YC is full; Oshkosh has a waiting list. Level One at Macatawa Yacht Club in Michigan June 2-5, it has five openings, and a Level 2 at Macatawa June 7-8, that course has only one opening. Whitehall Yacht Club (30 miles up the coast) for a Level 2 June 10-11, nine open spots and a Level 3 June 12 - 13 with 10 openings. Macatawa is 150 miles from Chicago, both clubs would house candidates if asked.

If you have sailing instructors who are not certified, please, please consider this course. In particular, look for Cappy Capper who has been a member of the national team developing this curriculum for years. He has instructed for over 30 years in both sailing and skiing. He is exceptional. Our young instructors are often great sailors but need assistance with administrative skills, organizational skills, presentation and safety concerns. This is the course for them.

It may be during some school days but what they learn here will instill good preparation for communicating for that next interview or job opportunity. They video each other and critique each other in a most unthreatening manner. Lots to be learned here.
