# SAN DIEGO ASSOCIATION OF YACHT CLUBS

**Commodore  
Bill Edwards**

The San Diego Association of Yacht Clubs was founded for the purpose of fostering and encouraging participation in yachting and to promote its public interest in the San Diego Area. The association's officers and directors are chosen from the ranks of member clubs Staff Commodores. This year, my Board of Directors and I are committed to increasing the relevancy and inclusivity of the Association through community outreach programs. A very high priority will be actively promoting our awards program by encouraging our clubs to form committees to select deserving sailors, boater and community organizations for the awards outlined below:

Each year the Association recognizes members of the boating community. We reward these outstanding individuals by presenting the following awards:

- Yachtsman and Yachtswoman of the Year Awards are presented for outstanding achievement and participation in yachting.
- Paul J. Hartley Award recognizes a Junior Yachtsperson under the age of 18 for both service to their club, community and has made significant contributions to junior sailing activity in San Diego County.
- Alonzo De Jessop Award recognizes individuals for their service to the yachting community which shall be deemed to have performed services to yachting beyond the recipients' normal obligations.
- John M. Rumsey Award recognizes the individual achievements in yachting outside of San Diego County.
- Pete Curtain Sportsmanship Award recognizes an individual, club, association or entity whose actions displayed the value and spirit of sportsmanship.

The association provides a forum where members can exchange ideas, coordinate activities, and foster fellowship in the boating community. We take an active role providing input to local and state governments on matters of interest to the yachting community. Our association members are proud to offer classes and seminars in various boating related classes including safety and first aid classes, as well as sail and power boat handling and race management.

Our Association member clubs offer Junior

Sailing Programs that include sailing lessons and on-water safety training. These programs are inclusive and available to non-members as well as members. After all, junior yachtspersons are the future of sailing and boating; and many go on to serve our community. Additionally, many of our member clubs hold annual charity events which raise hundreds of thousands of dollars benefiting the community at large.

This calendar is a collaboration of many individuals from the boating community that have worked hard to develop a well-rounded calendar of events for sailboat racers, powerboat predicted log competitors, charity regattas, and public interest events.

I want to thank the Dan Teckenoff for his assistance in publishing this calendar and

helping to secure the advertisers. As always, a special tip of the hat to Cynthia Sinclair for providing front cover images for the past 10 years.

On behalf of the Association, I would also ask that you patronize those advertisers who help make this publication possible. Please take a minute to read the information describing the various clubs and organizations that make up the San Diego Association of Yacht Clubs. If you enjoy the water and boating, we invite you to make one of our organizations a part of your life. Additional information on SDAYC associations is available at [www.sdayc.org](http://www.sdayc.org)
