

April 1, 2022

Information about the 2022 racing season is now ready and updated on the club website. <https://sailsaratoga.org>

The Self Scheduling Sign-Up Sheet for Race Duty is open now!

Go to the website and click on the "Racing" tab and then click on the "Race Duty Sign-Up Sheet."

OR you can email us at [race@sailsaratoga.org](mailto:race@sailsaratoga.org) with your requested dates to work and we can fill it in.

Please sign up for two dates. (Or more if you want).

On April 24th, we will fill in the remaining open spots, so sign up soon to get the dates that will work best for you.

Be advised, this year we have discontinued issuing racing credits for Race Duty work. It's just too much fun watching a sailboat race from a motorboat.
