7. **Chief Measurer's Report:** Eric Heim was unable to attend, but his Measurer's report was distributed with the agenda.

No new boats measured since last meeting. There are 2 that I need to do soon.

Still working on getting previously measured boats a valid certificate as needed.

We really need to get volunteers to join the Measurement Committee. I have reached out to Jr Directors and other involved individuals, but have made very little headway. The best thing would be if each person from the board could go through a rolodex and find someone who may be interested. Most important for the Newport and Long Beach fleets, but Mission Bay and Coronado should be represented as well. Jr Parents are *ideal* candidates...

Confirmed days and venues for pre Nationals measurement are as follows:

Sr Nationals North(BYC), May 14th

Sr Nationals South, May 17th and 24th (after regular SDYC Tuesday racing)

Sr Nationals Final, June 3rd (day before regatta), 4th small window morning of.

Regatta is June 4-5th

Jr Nationals North, July 16th (Newport) and 17th (Long Beach)

Jr Nationals South (CYC), July 23rd

Jr Nationals Final, Aug 1st (day before regatta)

Regatta begins Aug 2nd

Huge Thanks to Dennis for organizing the measurement days at BYC and lining up volunteers!
