# SAN DIEGO ASSOCIATION OF YACHT CLUBS

**Commodore  
Wayne Strickland**

Welcome to the San Diego Association of Yacht Clubs. The SDAYC serves the boating community with 14 active yacht clubs and associations as members. The organization was established in 1960 and annually publishes this calendar of yacht races from Oceanside to Ensenada. In addition to all the sanctioned races in San Diego, both power and sail, it contains official yacht club opening days, membership information, facilities and hours, reciprocity and more.

The San Diego Association of Yacht Clubs has the purpose of helping and encouraging yachting and to promote interest for all boaters in the San Diego area. The officers and directors are chosen from the ranks of past commodores from its member clubs. We have a great board this year and I look forward to working with them and making our meetings fun and informative. The association has dinner meetings at the yacht clubs where we have guest speakers, exchange ideas, coordinate our sailing activities and build better friendships in our boating community. We are very active in state and local governments for matters of interest in the boating community. Many of our member clubs offer boating safety and first aid classes. The association members also offer classes on sail and power boat handling, plus race management seminars.

The member yacht clubs offer junior sailing programs that have sailing lessons with on the water safety training which is available to members and nonmembers. Junior sailors are the future of yachting and we want to help and mentor them. The best ships are friendships and many times the junior sailors become lifelong friends.

SDAYC members also help to organize and provide committee perimeter safety and guide boats for the July 4th Big Bay Boom fireworks display, the Veterans Day Boat Parade and the two weekends of the Christmas-Holiday Boat Parade of Lights.

You can get the most satisfaction from being actively involved with yacht clubs. It helps others to enjoy yachting and teaching our youth the fun and rewarding experiences that we have all enjoyed.

I wish to acknowledge and thank all those that are currently serving on yacht clubs boards, the many committees and helping in any way, because it takes a big team to get

things done.

This racing calendar and the guide lists all the opening days, many charity events and regattas. SDAYC also recognizes the boating community by giving the following awards for outstanding individuals:

1. Yachtsman and Yachtswoman of the year awards are presented for outstanding achievement and participation in yachting.

2. Paul J. Hartley Award is for a Junior Yachtsman or Yachtswoman under the age of 18 for both service to their club, community and has made significant contributions to the junior sailing activity in San Diego County.

3. Alonso de Jessup award recognizes individuals for their service to the yachting community beyond the recipients normal obligations.

4. John M. Rumsey award recognizes the individual achievements in yachting outside of San Diego county.

5. Pete Curtin award is for Sportsmanship and recognizes an individual, association or entity whose actions displayed the value and spirit of sportsmanship.

This publication was produced by member yacht clubs as a guide and calendar of events for sailboats and powerboat owners, charity regattas and public interest events. It is a result of yacht club volunteers with help from SDAYC Junior Staff Commodore Bill Edwards, and all the wonderful support from the advertisers.

The cover photo is a picture of a race committee boat that was provided by the very talented photographer Cynthia Sinclair. Please support those that are advertising in this yacht club guide that helped defray the cost and make this calendar possible.

Past commodores of yacht clubs please consider joining the International Order of Blue Gavel. IOBG will keep you involved and connected with friends and help train future Commodores.
