

SLSC Pizza Party/Race Orientation 2023

This coming Saturday, May 13, 4PM at the Clubhouse.

Come and enjoy the best pizza in Malta!

Sign up on the website so we know how much pizza to tell the pizza people to make. Last year there were 15 pizzas, so they like a little notice.

Pizza, beer, pop, and salad will be provided all for free!

The Race Orientation part of the party will be about ½ hour long and will be followed by questions and answers.

All members are expected to work on a Safety Boat twice during the racing season, so sign yourself up for a spot right away to get two dates that work best for you. May is full and June only has 7 spots available.

Family members can volunteer together.

Not sure you can handle it? We can pair you with an experienced member.

There's nothing like hanging out and relaxing on a lake on a motorboat in the summer, watching a sailboat race!
