

Breaking Racing News

Only two days left to volunteer on the Self Scheduling Race Duty Sign-Up Sheet on the website! As of this writing the sheet is 89% full. On June 1st we will start assigning the remaining spots.

Help us achieve full volunteer Race Duty Teams for the first time!

Once the Sign-Up Sheet is full, a limited number of extra seats on the Committee Boat will be open for the new “Ride Along” Program. Race Captain trainees, new club members, new racers, photographers, and race spectators are invited.

We don’t want to overload the Committee Boat, so send an email with the dates you want to “Ride Along” and we will reserve a spot.
