

Racing News

Every race day there are two or three extra seats available on the Committee Boat to watch the action. If you are a Race Captain trainee, photographer, future racer, or race spectator or guest of a club member, you can get scheduled. If you are interested, email race@sailsaratoga.org to get scheduled for a Wednesday evening or Sunday afternoon.

Just about every kind of sailboat has a handicap number. If your cruiser is sitting on a mooring, or if you have a SLSC “non-sanctioned fleet boat” you can sail around the racecourse with the rest of us.

You’d like to try racing, but need some help? Email race@sailsaratoga.org

Lastly, you can feel safe racing at SLSC. Our Safety Boats, as well as our Committee Boat, are stocked with safety/emergency equipment.
