

2026 Wednesday Offshore Series  
Rochester Yacht Club  
May 13 – September 9, 2026

**SIs Amendment #1 Posted: June 10, 2026**

**7.2 is added**

The racing area shall be the navigable waters of Lake Ontario within three (3) NM of the Charlotte Pier, excluding the waters between the Charlotte and Summerville piers and waters within 0.1 NM of either pier.

**15.2 is changed to read**

If any boat finishes within the time limit, then any boats not finishing within ninety (90) minutes after the first boat to finish will be scored Time Limit Expired (TLE) without a hearing. However, if a boat has left the racing area or is no longer racing when this finishing window expires, she shall instead be scored DNF. A boat scored TLE shall be scored points for the finishing place one more than the number of boats that sailed the course. This changes RRS 35, A5.1, A5.3.

**15.3 is added**

The race committee may display flag T with one long sound. After this signal, if a boat retires, she shall be scored TLE without a hearing and shall be scored points in accordance with SI 15.2. This does not apply to a boat that retires as a penalty for breaking a rule. This changes RRS A5.1, A5.3.

**Signed:**

Jim Bennett

RYC Race Committee
